RE: 1st Annual LGT Charity Pickleball Tournament

Dear Friends,

We are excited to announce the creation of the Levene Gouldin & Thompson Charity Pickleball Tournament, a dynamic event that will bring together pickleball enthusiasts, community members, and generous supporters like you.

This tournament aims to raise funds for the Tunnel to Towers Foundation in support of US Veterans & 1st Responders. By sponsoring our event, you will not only contribute to a worthy cause but also gain significant exposure to a varied and growing audience.

The LGT Charity Pickleball Tournament will take place on Sunday, November 10th at the Binghamton University Lane-Starke Tennis Center. We anticipate a large turnout of pickleball players, spectators, and community members. Your support will be instrumental in making this event a resounding success.

See attached flyer that outlines our different sponsorship opportunities and their benefits to you, along with a form to fill out and return.

We believe that a partnership with your organization would be mutually beneficial.

Thank you for considering this sponsorship opportunity. We look forward to the possibility of partnering with you to make a positive impact on our community.

Very truly yours,
LEVENE GOULDIN & THOMPSON, LLP
